Professional activity, workplace:

Director of “Francisc I. Rainer” Anthropology Institute of the Romanian Academy.

Professor – “Carol Davila” University of Medicine and Pharmacy, Department of Anatomy and Embryology

Principal scientific researcher, 1st degree

Studies, specialization, competences:

1964 - Baccalaureate diploma, Bucharest

1970 - Bachelor in medicine – Institute of Medicine and Pharmacy Bucharest, Faculty of General Medicine, Bucharest

1993 - Ph. D. in medicine

Specialization courses (Lille, France, 1994) and exchange programs (Brussels, Belgium, 1998; Palermo, Sicily, Italy, 2006)

1970 - 1972 - Clinical Internship Program - surgical specialties

1972 - 1975 - Probationary Assistant - Institute of Medicine and Pharmacy, Bucharest - Department of Anatomy and Embryology

1977 - present - Specialist in general surgery

1976 - 1980 - Instructor/teaching assistant - Institute of Medicine and Pharmacy, Bucharest, Department of Anatomy and Embryology

1980 - 1994 - Lecturer in Anatomy and Embryology Department, “Carol Davila” University of Medicine and Pharmacy, Bucharest

1994 - 1997 - Associate professor - “Carol Davila” University of Medicine and Pharmacy, Bucharest

1997 - present - Professor, “Carol Davila” University of Medicine and Pharmacy, Bucharest, Department of Anatomy and Embryology

2002 - 2012- Head of the Department of Anatomy, “Carol Davila” University of Medicine and Pharmacy, Bucharest

2012 - 2016 (March) - Scientific secretary of “Francisc I. Rainer” Anthropology Institute of the Romanian Academy

Didactic and research competencies:

- Didactic activity within “Carol Davila” University of Medicine and Pharmacy, Bucharest, Department of Anatomy and Embryology;
- Coordination of teaching and research activity within the Department of Anatomy and Embryology (“Carol Davila” University of Medicine and Pharmacy, Bucharest) and “Francisc I. Rainer” Anthropology Institute of the Romanian Academy;

- PhD supervisor in "Medical science" (since 2002) and doctoral thesis reviewer in the disciplines of anatomy and anthropology.
- Member of the Doctoral Committee, "Carol Davila" Faculty of Medicine and Pharmacy, Bucharest (2000-2004), Chairman of the Doctoral Committee (2011-2012).

Organisational / managerial skills gained as:

- Head of the Department of Anatomy, "Carol Davila" Faculty of Medicine and Pharmacy, Bucharest
- Member of the admission committee, "Carol Davila" Faculty of Medicine and Pharmacy, Bucharest
- Member of the Academic Board and Senate of "Carol Davila" Faculty of Medicine and Pharmacy, Bucharest
- Scientific Secretary of the Council of the Faculty of Medicine (1992-1994)
- Vice-dean of the Faculty of Medicine (1994-2000)
