Curriculum Vitae

Personal information

First name(s) / Surname(s) **Mihai BERTEANU**

Occupational field

Professor of Physical and Rehabilitation Medicine at the University of Medicine and Pharmacy, "Carol Davila", Bucharest, PhD Senior Consultant, Elias University Hospital, Bucharest, Romania. European Board certified PRM specialist.

Work experience

Dates	2010 – onwards
Occupation or position held	Head of Medical Rehabilitation Department; Professor in Physical and Rehabilitation Medicine (PRM)
Main activities and responsibilities	Clinical practice and research in PRM, Lectures and practical demonstrations for specialists in CME
Name and address of employer	Elias University Hospital, 17 Marasti Blvd, Bucharest
Type of business or sector	Healthcare institution
Dates	2007 – 2010
Occupation or position held	Medical Manager, Professor in PRM
Main activities and responsibilities	Management, Lectures and other educational activities
Name and address of employer	Elias University Hospital, 17 Marasti Blvd, Bucharest
Type of business or sector	Healthcare institution
Dates	2003 – 2007
Occupation or position held	Head of Medical Rehabilitation Dept.; Lecturer
Main activities and responsibilities	Clinical practice and research in PRM, educational activities Lectures and practical demonstrations for specialists in CME
Name and address of employer	Elias University Emergency Hospital, 17 Marasti Blvd, Bucharest
Type of business or sector	Healthcare institution

Dates	1994 – 2003
Occupation or position held	Medical Doctor, Senior Consultant in Physical & Rehabilitation Medicine, Assistant Professor
Main activities and responsibilities	Lectures and practical demonstrations for specialists in CME (Continuous Medical Education), specialists, residents and students.
Name and address of employer	University Hospital Bucharest, 169 Splaiul Independentei, Bucharest
Type of business or sector	Healthcare institution

Dates	1990 – 1994
Occupation or position held	Resident physician
Main activities and responsibilities	Medical practice in the field of PM&R
Name and address of employer	University Hospital Bucharest, 169 Splaiul Independentei, Bucharest
Type of business or sector	Healthcare institution

Education and training

Dates	2004
Title of qualification awarded	Specialist in Biofeedback
Principal subjects/occupational skills covered	Biofeedback in Medicine
Name and type of organisation providing education and training	University Winterthur, Switzerland

Dates	2003
Title of qualification awarded	PhD <i>cum laudae</i> in neurological rehabilitation with the Thesis: “The merit of electromyographic biofeedback in regaining voluntary control of movement, improvement of muscle strength and in the treatment of spasticity”
Name and type of organisation providing education and training	University of Medicine and Pharmacy „Carol Davila”, Bucharest, Romania

Dates	December 4 2003
Principal subjects/occupational skills covered	Inflammation in some rheumatic diseases.
Name and type of organisation providing education and training	University of Medicine and Pharmacy „Carol Davila”, Bucharest, Romania

Dates	November 25 2003
Principal subjects/occupational skills covered	Quality of life of old age people with musculo – skeletal diseases
Name and type of organisation providing education and training	University of Medicine and Pharmacy „Carol Davila”, Bucharest, Romania

Dates	May 3 – 4 2001
-------	----------------

Principal subjects/occupational skills covered	Urodynamics exploration
Name and type of organisation providing education and training	Regional Centre for Functional Re-education and Re-adaptation, Angers, France.
Dates	November 21 – 22 2001
Principal subjects/occupational skills covered	News in electromyography
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	April 28 – 30 2001
Title of qualification awarded	Competence in regional anesthesia techniques
Principal occupational skills covered	regional anesthesia techniques
Name and type of organisation providing education and training	Regional Centre for Functional Re-education and Re-adaptation, Angers, France
Dates	February 24 – 26 2000
Principal subjects/occupational skills covered	Peripheral nerve blocks
Name and type of organisation providing education and training	University of Medicine Innsbruck
Dates	November 1998
Principal subjects/occupational skills covered	News in Regional Anesthesia
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	October 1998
Principal subjects/occupational skills covered	Biostimulation with LASER
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	May 1998
Principal subjects/occupational skills covered	Methodology of Postacute Rehabilitation of Hemiplegic Patients
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	January – April 1998
Principal subjects/occupational skills covered	Neurological Rehabilitation

Name and type of organisation providing education and training	Clinic for Neurological Rehabilitation, Klinik Berlin, Germany
Dates	March 1997
Principal subjects/occupational skills covered	News in Geriatric Rehabilitation
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	January 6 -13 1997
Principal subjects/occupational skills covered	Medical Rehabilitation
Name and type of organisation providing education and training	University Clinic Saint Luc, Bruxelles, Belgium
Dates	October 1993
Principal subjects/occupational skills covered	Refresher course in Homeopathy
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania – foreign lecturers
Dates	October 1992
Principal subjects/occupational skills covered	Refresher course in Homeopathy
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	October 1991 – October 1992
Title of qualification awarded	Competence in Acupuncture
Principal subjects/occupational skills covered	Acupuncture
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	April 1991 – July 1992
Title of qualification awarded	Competence in Homeopathy
Principal subjects/occupational skills covered	Homeopathy
Name and type of organisation providing education and training	University of Medicine „Carol Davila”, Bucharest, Romania
Dates	May 6 -11 1991
Principal subjects/occupational skills covered	Homeopathy

Name and type of organisation providing education and training International Homeopathy League, Congress of International Homeopathy League, Koln, Germany

Dates 1981 – 1987

Title of qualification awarded Medical Doctor

Name and type of organisation providing education and training University of Medicine and Pharmacy „Carol Davila”, Bucharest, Romania

Personal skills and competences

(*) Common European Framework of Reference for Languages

Social skills and competences Leadership, teamwork and communication skills. Certified Trainer (2002)

Organisational skills and competences Organizer of national and international congresses and other scientific events on Physical Medicine and Rehabilitation (since 1999). Course of entrepreneurship (2000). Course of Management of Health Services (2003) and course of Hospital management (2006)

Computer skills and competences Proficient PC user with experience in Microsoft Office programs.

Driving licence Owner of a B class vehicles driving licence

Professional Activity

Awards:

- Gold Medal for the invention "Botulinum Toxin Guided Injection Device for Spasticity Treatment", L Seiciu, M Berteanu, V Barbu, IWIS 17 Oct 2018 Warsaw, Poland
- Excellence Award of Global Exhibitions – Toronto International Society of Innovation and Advanced Skills, for the the invention "Botulinum Toxin Guided Injection Device for Spasticity Treatment", L Seiciu, M Berteanu, V Barbu, IWIS 17 Oct 2018 Warsaw, Poland
- "Best Paper Award" of the International Academy, Research, and Industry Association, for the paper "Using Adaptive Immersive Environments to Stimulate Emotional Expression and Connection in Dementia Care: Insights from User Perspectives Towards SENSE-GARDEN", by Gemma Goodall, Ileana Ciobanu, Ronny Broekx, Jon Sørgaard, Iulian Anghelache, Catalina Anghelache-Tutulan, Mara Diaconu, Sigrid Mæland, Therese Borge, Audun Digranes Dagestad, Piet Bormans, Marleen Custers, Katrin Losleben, Rita Valadas, Alda Matias, Andreea Marin, Kristin Taraldsen, Walter Maetzler, Mihai Berteanu, Artur Serrano, presented during HUSO 2018, The Fourth International Conference on Human and Social Analytics, held in Venice, Italy during June 24 - 28, 2018.
- Diploma of the Federation Francaise des Inventeurs, for the invention: „Mechatronic System of Vertical Alternating Oscillation of Pelvic Belt”, Salon International des Inventions, Geneve 2018.
- Silver Medal for the invention: „Mechatronic System of Vertical Alternating Oscillation of Pelvic Belt”, Salon International des Inventions, Geneve 2018.
- Gold Medal for the invention: „Mechatronic System of Vertical Alternating Oscillation of Pelvic Belt”, 12 october 2016, International Warsaw Invention Show IWIS 2016.
- "Iuliu Hatieganu" Award, conferred on December 15, 2011, by The Romanian Academy for "Tratat de reabilitare pulmonara", sub redacția Tudorache VM, Ed. Mirton Timișoara 2009
- The Diploma of "Ambient Assisted Living J.P. Award finalist" conferred in 2011 by the AAL Forum 2011, for the Project Is-Active.
- The Order of "Meritul Sanitar in grad de cavaler", conferred by the Romanian Government, 2010.

Member in professional and scientific societies:

- Corresponding Member of Romanian Academy of Medical Sciences (2017 – ongoing)
- President of the Romanian Society of Physical Medicine and Rehabilitation (2008-2012)
- National Secretary of the Romanian Society of Physical Medicine and Rehabilitation (1998-2008)
- National Representative of Physical Medicine and Rehabilitation at UEMS (2002 – ongoing)
- Chairman of Professional Practice Committee of UEMS-PRM (2011-2014)
- Board member of the International Society of Physical and Rehabilitation Medicine (ISPRM) (2000-2012)
- European Journal of PRM – member of Editorial Board (2005-2014)
- Romanian Journal of Physical and Rehabilitation Medicine – member of Editorial Board (2002-2010)
- Board member of World Federation of Neurological Rehabilitation (WFNR) (1996-2008)
- National delegate of NAN „Bone and Joint Decade” / Global Alliance for Musculoskeletal Health

Invention patents:

- Invention patent no.112406: Method and Device for Vascular Massage/Drainage of Limbs. M. Berteanu issued in 31.07.1998, in BOPI no.8, 1998.
- Invention patent no.115404 B, 26.02.2000: Thermo-Therapy Device, M. Berteanu. issued in BOPI No.2/1999.
- Invention patent no. 116249: Method and Device of Hydro- Massage- Thermotherapy. M. Berteanu. Issued in BOPI 8/2000.
- Invention patent OSIM no. 116945, 20.07.2001:Automatic Device for Controlled Lower Limb Loading.M Berteanu, M Nicolescu, D Stănculescu, D Fărcaș. issued in BOPI 8/2001.
- Invention patent no. 120173 4/480, 25.08.05: Device and Method for Osteoporosis Treatment. Mihai Berteanu, Cristina Berteanu, Gilda Mologhianu, Alina Iliescu issued in BOPI no. 10/2005.

Other original contributions:

- Coordinator of Romanian translation of R Braddom Texbook of Physical Medicine and rehabilitation
- Coauthor and coordinator of the Romanian translation of „White Book on Physical and Rehabilitation Medicine in Europe (UEMS) (2006)
- Coordinator of the Romanian translation of WHO's „World report on disability” (2012)
- European Board certified since 2005. The Rehabilitation Medicine Department of Elias Hospital, is recognized European Training Center for Physical and Rehabilitation Medicine specialists.
- Promoter of Electromyographic Biofeedback techniques in the Rehabilitation Medicine clinical practice in Romania.

Professional Activity **Completed Financed Projects:**

1. "3-D Mechatronic Reality System for Rehabilitation Learning in Real and Virtual Integrated Environments" – RELIVE, PNII. (2012 – 2016) Contract nr. 190/2012
2. Cost Office TransDomain Action TD1006 – „European Network for NeuroRehabilitation" (2011 – 2015)
3. "Advanced Rehabilitation Technology" – MSC ART– European Master (Erasmus) (2011 – 2014)
4. „Inertial Sensing Systems for Advanced Chronic Condition Monitoring and Risk Prevention". IS-ACTIVE. Partnership in Ambient Assisted Living Priority Domains. External link: <http://www.is-active.eu/category/consortium/>, / 2009-2012
5. „Integrated System for Characterization, Monitoring, and Assisted Training of Human Locomotion. CAMONAL". PNCD II – Capacitati. Contract nr. 82089/01.10.2008 External link: <http://www.camonal.sportscience.ro>
6. Research of Mechatronic Systems for Gait Movement Simulation in Rehabilitation of Locomotor Handicap Patients. SIMESIM, CEEX No. 79/2006-VIASAN, <http://www.omtr.pub.ro/cesit/granturi/simesim/>
7. Contribution to Postural Stability Assessment and to Dynamic Balance in Neurological Disfunctions, Normality or Human Performance. CNCSIS Nr. 899
8. Non-conventional diagnosis equipment – IRTEST"). Beneficiary: AMCSIT-MEdC.IRTEST. National Program RELANSIN no. 1756/2003 (no. 18-04-01/UPB)
9. Thermovision Day/Night Observational Unit Without Cooling System. COMBITERM. Beneficiary: AMCSIT-MedC. National Program RELANSIN nr. 1775/2003 (nr. 18-04-02/UPB).
10. Respiratory Rehabilitation Network for Patients with Chronic Obstructive Pulmonary Disease. REABILUM. PNCD II – Capacities
11. EUROP_RO Technological Platform –National Synergic Framework for Promotion of Romanian Participation, Research and Industry in PC7 and for Development of European Partnership in Robotics. EUROP_RO. CEEX-Module IV
12. Pilot Center for Neuromotor Rehabilitation. Application in patients with nutritional disorders. VIASAN

Completed Financed Research Studies:

1. Acute pain episodes of knee and/or hip osteoarthritis – Phase IV.
2. Impact of bone- marker feed-back on adherence in the treatment of patients with postmenopausal osteoporosis, Phase III.
3. Local tolerability for cutaneous spray solution – Phase IV.
4. Pain in knee arthrosis , Phase III.
5. Epidemiological Study of Postmenopausal Osteoporosis Prevalence. PREVOSS, Nr. Protocol: ICE 12 911 62 ROM.
6. Multi - National Epidemiology Survey in Osteoporosis – MESOP, Nr, 1507/30 05. 2005 Academia de Stiinte Medicale.
7. Correlations between Dynamics of Inflammatory and Biochemical Parameters and Stroke Rehabilitation. "Carol Davila" Medicine University, Bucharest.2010.
8. Randomized, Controlled, Parallel, Prospective Trial to Evaluate the Effect of Secondary Prophylaxis With rFVIII Therapy in Severe Hemophilia A Adult Subjects Compared to That of Episodic Treatment. (SPINART). External link: <http://clinicaltrials.gov/show/NCT00623480>
9. Observational Study to Evaluate the Implantation Procedure of the ActiGait Dropfoot Stimulator System(ActiGait) External link: <http://www.southampton.ac.uk/healthsciences/research/projects/MLC/ActiGait/index.html>

Ongoing Projects:

- AAL "Virtual and memory adaptable spaces creating stimuli for the senses in ageing people with dementia SENSE-GARDEN", 51/14.06.2017, Partner Project Director
- COST Action CA16116 – "Wearable Robots for Augmentation, Assistance or Substitution of Human Functions" (2017-2020) – MC Member
- „Harmonic Mechanical Vibrations Mechatronic System for Muscle Force and Resistance Improving and Bone Mineral Density Increasing Effect" – B&M-Vibe. PNCDI III-P2-2.1-BG (2016-2017) – Partner Project Director
- „Computer Assisted and Information Feedback Training for Human Spaceflight Support" – STARWALKER. Coordinator: Institute of Space Science; INFLPR-ISS (2013 - 2018) – Scientific Consultant

Books:

- **“The Field of Competence of the Physical and Rehabilitation Medicine physicians” PART ONE.** European Union of Medical Specialists (UEMS). Section of Physical and Rehabilitation Medicine - Professional Practice Committee. Ed. by Nicolas Christodoulou Alain Delarque Enrique Varela Donoso. Ed. 2014, ISBN: 978-9963-2061-2-4
- **Principii de reabilitare medicală la pacientul critic.** Mihai Berteanu, Luminita Dumitru, Alina Iliescu, Cristina Berteanu. Capitol in **Recomandări și Protocoale în Anestezie, Terapie Intensivă și Medicină de Urgență**, Sub Redactia: Săndesc D., Bedreag O., Păpurică M., Ed. Mirton, Timișoara, 2009, pag. 787-795
- **Fiziokinetoterapia in afectiunile respiratorii.** Berteanu M, Iliescu A, Dumitru L. Chapter in: **Tratat de Reabilitare Pulmonară**, sub redacția Tudorache VM, Ed. Mirton Timișoara 2009, p. 189-208.
- **Elemente de anatomie pulmonara functionala.** Berteanu M, Iliescu A, Dumitru L, Berteanu C. Chapter in: **Tratat de Reabilitare Pulmonară**, sub redacția Tudorache VM, Ed. Mirton Timișoara 2009, p 47-57.
- **Bolile neuromusculare si deformatiile toracice.** Berteanu M, Dumitru L, Iliescu A, Berteanu C. Chapter in: **Tratat de Reabilitare Pulmonară**, sub redacția Tudorache VM, Ed. Mirton Timișoara 2009, p. 330-245.
- **Definitii. Concepte. Standarde.** Berteanu M, Dumitru L, Iliescu A. Chapter in: **Tratat de Reabilitare Pulmonară**, subredacția Tudorache VM, Ed. Mirton Timișoara 2009, p.4-13.
- **Cartea Alba a specialitatii de medicina fizica si de reabilitare in Europa.** (traducerea in limba romana). Berteanu M. (coautor) *Editori: Gutenbrunner C, Ward A, Chamberlain MA. Ed. Universitara „Carol Davila” Bucuresti 2006. ISBN 13: 978-973-708-025-7*
