

**Carmen
Pavelescu**

ABOUT ME

Dr. Carmen Pavelescu is a pediatric physician who joins "M.S. Curie" Children's Emergency Hospital of Bucharest- Pediatric Department. As the organization providing specialized pediatric care, she is responsible for sharing the wealth of expertise of the Pediatrics staff with patients and families everywhere. For her doctoral project, she focused on cytokines storm and variations of cytokines in HIV-AIDS in pediatrics. She comes prepared for all types of learning situations, having researched the relevant topics so that she can provide quality care as well as participate actively in class and clinical supervision. Dr. Pavelescu is articulate, well-read, and able to utilize her knowledge effectively in the clinical setting. She has extensive media experience including TV, radio, and online and has been a regular medical contributor on Primetime shows, and has had multiple appearances as a medical expert on a variety of channels. Dr. Carmen lives in Romania, Bucharest with her family where she loves reading and cooking, tennis, and traveling. She has two school-age children who remind her why every day is precious and full of energy and laughs.
