

**Curs de ecocardiografie transesofagiana 2016**  
**Clinica de cardiologie UMF “Carol Davila”, IUBCV “Prof. Dr. C. C. Iliescu”**

**Cursuri:**

Ecocardiografia transesofagiana: indicatii si contraindicatii, tehnica examinarii – B. A. Popescu (16 mai)

Ecocardiografia transesofagiana: examinarea normala – E. Apetrei (16 mai)

Valvulopatiile aortice si ale cordului drept – B. A. Popescu (17 mai)

Patologia aortei – O. Chioncel (18 mai)

Ecografia transesofagiana intraoperatorie – O. Chioncel (18 mai)

Mase intracardice si surse emboligene – C. Ginghina (19 mai)

Valvulopatiile mitrale – S. Mihaileanu (Franta) (20 mai)

Protezele valvulare – I. Stoian (23 mai)

Bolile cardiace congenitale – I. Coman (24 mai)

Endocardita infectioasa – A. Iliesiu (25 mai)

Examen final – 26 mai

**Demonstratii:**

Demonstratii si practica “hands-on” pe simulatorul de ecografie transesofagiana – 16-18 mai

M. Rosca – 19 si 24 mai

M. M. Gurzun – 20 si 25 mai

B. A. Popescu – 23 mai

### Curs de ecocardiografie transesofagiana mai 2016

| Ziua     | Demonstratii                                | Cursuri                                                                                   |
|----------|---------------------------------------------|-------------------------------------------------------------------------------------------|
| L 16.05  | Simulator<br>(9:30-12:00 si<br>13:00-15:00) | ETE: indicatii si contraindicatii, tehnica examinarii.<br>Prof. B. A. Popescu (8:30-9:30) |
|          |                                             | Ecocardiografia transesofagiana - examinarea normala.<br>Prof. E. Apetrei (12:00-13:00)   |
| M 17.05  | Simulator<br>(9:30-15:00)                   | Valvulopatiile aortice si ale cordului drept.<br>Prof. B. A. Popescu (8:30-9:30)          |
| Mi 18.05 | Simulator<br>(8:30-12:00)                   | Patologia aortei. Dr. O. Chioncel (12:00-13:00)                                           |
|          |                                             | Ecografia transesofagiana intraoperatorie.<br>Dr. O. Chioncel (13:00-14:00)               |
| J 19.05  | Dr. M. Rosca<br>(10:30-11:30)               | Mase intracardice si surse emboligene. Prof. C. Ginghina<br>(13:00-14:00)                 |
| V 20.05  | Dr. M. M. Gurzun<br>(12:00-13:00)           | Valvulopatiile mitrale. Prof. S. Mihaileanu (14:00-15:00)                                 |
| L 23.05  | Prof. B. A. Popescu<br>(10:30-11:30)        | Protezele valvulare. Dr. I. Stoian (12:00-13:00)                                          |
| M 24.05  | Dr. M. Rosca<br>(10:30-11:30)               | Bolile congenitale cardiace. Prof. I. Coman (12:00-13:00)                                 |
| Mi 25.05 | Dr. M. M. Gurzun<br>(10:30-11:30)           | Endocardita infectioasa. Prof. A. Iliesiu (12:00-13:00)                                   |
| J 26.05  | <b>Examen final</b>                         |                                                                                           |

Sef Clinica,  
Prof. C. Ginghina

Director curs,  
Prof. B. A. Popescu

#### **Program practic zilnic:**

16-18 mai Practica hands-on pe simulatorul de ecografie transesofagiana

19-25 mai intre 8:30-10:30 Ecografii transesofagiene in laboratoarele Clinicii
